

Panel Light (EDGE LIT / BACKLIT)

Product Description

- Manufactured using world's best LED chip "Sanan"
- Aluminum frame with good heat conduction
- Excellent Color Rendering Index, CRI (Ra) of more than 70
- High Quality LGP
- Installation type: Recessed
- Color Temperature: Cool White and Warm White
- Dimmable option available

Product Details

Color : WW/CW/NW
 Color Temperature : 3000-6500K
 Voltage : 85-265V
 Light Angle : 120°
 Power Factor : ≥0.6
 Using Temperature : -20°C-50°C

Item Name	LED Chip	LED Qty	Lumen	Size	Cut Out
TP-CPL-3W	SMD2835	15	240	Φ80mm	Φ70mm
